INSTANT CAR WASH

Last updated: 19/04/2024 11:32 am

PRODUCT CODE	PACK SIZE	CARTON QTY
CCICW0005	500mL	6

PRODUCT BENEFITS

Instant Car Wash is a highly economical and effective, super concentrated car washing detergent with a new combination of active ingredients to remove dirt and road grime quickly and thoroughly. It is gentle on surfaces through its active ingredients, is phosphate free and has a pleasant fragrance.

APPLICATION

Instant Car Wash can be used to wash passenger cars, 4WDs, light and heavy duty commercial vehicles, veteran and vintage vehicles, boats, jet skis, motor bikes and many other types of equipment. It is suitable for cleaning paintwork surfaces, convertible fabric tops, metal, glass, plastics, rubber, tiles, porcelain and enamelled surfaces. Used undiluted and direct from the bottle, it will dissolve off most stubborn dirt including bird droppings and insect residue.

INSTRUCTIONS FOR USE

- Remove bottom cap
- Fill cap with 20-30ml of product and dissolve in 10 litres of warm water
- Wash car with a smooth sponge, microfibre wash pad, lambswool washing mitt or an appropriate car washing implement
- Rinse with plenty of clear water
- If washing in direct sunlight, rinse off each section as it is washed
- Wipe over with a chamois for best results

PLEASE NOTE:

- In the case of stubborn dirt, apply directly onto the dirt, leave to work for 1 to 3 minutes, then wash away with plenty of water

PRODUCT BENEFITS

- Super concentrate makes product extremely economical
- Active ingredients are gentle on paintwork and other surfaces
- Can be used undiluted to dissolve stubborn stains
- Bio-degradable and phosphate free
- Convenient measuring cap on bottle
