INSTANT TYRE SHINE

Last updated: 30/11/-0001 12:00 am

PRODUCT CODE	PACK SIZE	CARTON QTY
CCITS0004	400mL	6

PRODUCT BENEFITS

Instant Tyre Shine is a tyre gloss and maintenance for all tyre types. It restores the rich colours to weathered tyres and provides a perfect shine whilst maintaining the rubber and keeping it supple. It is extremely easy to apply and last for several weeks.

APPLICATION

Instant Tyre Shine can be used on the tyres on passenger cars, 4WDs, light and heavy duty commercial vehicles, trailers, veteran and vintage vehicles.

INSTRUCTIONS FOR USE

- First wash the tyres and allow to dry
- Shake can before use
- From a distance of approximately 20 cm spray evenly onto the tyre sidewalls in a circular motion, making sure not to spray on the floor (danger of slipping!). Cover the floor, if necessary
- Allow to work in for 5 minutes
- Move the vehicle a quarter revolution, so that the standing sides of the tyres can also be treated

PLEASE NOTE:

- Do not spray onto the brakes or on the tyre treads
- Product is not suitable for motor bikes or bicycles
- Do not apply in direct sunlight
- Do not spray on too thickly, or the product might run

PRODUCT BENEFITS

- Easy to use aerosol application
- Provides a high shine brilliant gloss appearance
- Protects tyres from UV sun damage and premature browning
- Suitable for plastic bumpers and mud flaps
