SHOCKER OIL 1

Last updated: 22/07/2012 11:39 am

PRODUCT CODE	PACK SIZE	CARTON QTY
SHOK10005	500mL	6

PRODUCT BENEFITS

Shocker Oil No.1 is a suspension oil specifically designed for lever arm and vane type shock absorbers fitted to cars covering the vintage and classic period. It contains anti-corrosion and anti-wear additives for enhanced protection.

APPLICATION

Shocker Oil No.1 is suitable for use in both single and double action Delco type shock absorbers as fitted to cars such as Buick, Chrysler, Dodge, Plymouth and Oldsmobile. May also be used in Gabriel type shock absorbers and Armstrong type lever arm shock absorbers as fitted to many English makes of the 40's, 50's and 60's. Also ideal in vehicles with a built in central jacking system such as the "Jackall System".

PRODUCT BENEFITS

- Replaces old style Damper Oil
- Specialised product for Lever Arm & Piston Type
- Formulated to exceed original requirements

PRODUCT PERFORMANCE LEVELS

- ISO 46
