## SHOCKER OIL 2

Last updated: 22/07/2012 11:47 am

PRODUCT CODE	PACK SIZE	CARTON QTY
SHOK20005	500mL	6

### PRODUCT BENEFITS

#### DESCRIPTION

**Shocker Oil No.2** is a suspension oil specifically designed for lever arm and vane type shock absorbers fitted to cars covering the vintage and classic period. It contains anti-corrosion and anti-wear additives for enhanced protection.

#### APPLICATION

**Shocker Oil No.2** is suitable for Armstrong lever action type shock absorbers in either single or double acting where fast road and competition use is anticipated. This oil may also be used in Berg type shock absorbers with adjustable automatic valves and also Houdaille shock absorbers using the vane type system.

**Shocker Oil No.2** can also be used as a motorcycle fork oil where a heavy SAE 20 oil was originally specified.

### PRODUCT BENEFITS

- Replaces old style Damper Oil
- Specialised product for Lever Arm & Piston Type
- Formulated to exceed original requirements

### PRODUCT PERFORMANCE LEVELS

- ISO 68

### TYPICAL DATA
