## TRANSOIL SAE 90

Last updated: 21/11/2017 3:55 pm

PRODUCT CODE	PACK SIZE	CARTON QTY
T90001	1L	6

### PRODUCT BENEFITS

**Transoil 90** is premium non EP, API GL-1 rated SAE 90 gear oil designed specifically for use in veteran, vintage and Edwardian gearbox, transaxles and selected spur and bevel type rear axles. It does not contain any aggressive load carrying additives that may cause corrosion damage to ferrous and non ferrous metal types used in these types of vehicles.

### APPLICATION

**Transoil 90** suitable for use in manual transmissions and transaxles in veteran, vintage & Edwardian vehicles.

**Transoil 90** is used primarily as a gearbox oil in medium to large veteran and Edwardian cars. Also used in gearbox applications in vintage and pre war cars. It may also be used as a rear axle oil in many light cars or voiturettes. This oil is compatible with leather and synthetic rubber seals.

**DO NOT** use in axles fitted with any sort of hypoid gears.

### PRODUCT BENEFITS

- Does not corrode ferrous and non-ferrous materials.
- Compatible with leather and synthetic rubber seals.

### PRODUCT PERFORMANCE LEVELS

- API GL-1
