Which Penrite products are API SN?

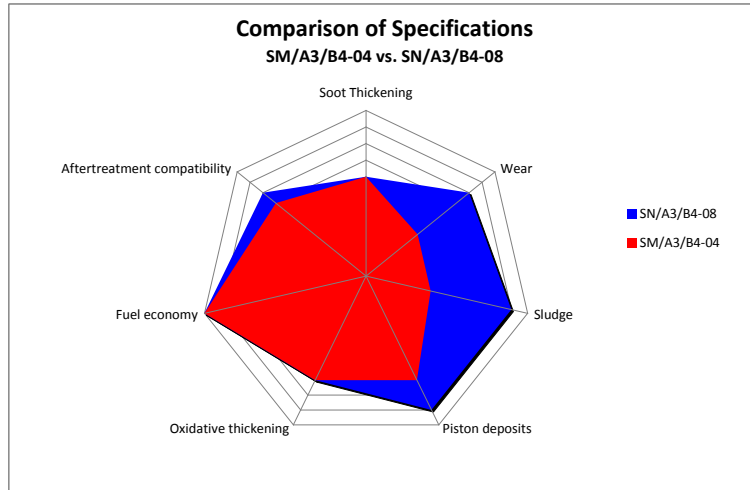

Issue: May 2016

What is API SN?

Penrite provides a range of automotive engine oils that carry the latest API (American Petroleum Institute) SN petrol specifications. API SN is the latest specification and provides enhancements from the previous specification SM grade oils. API SN improvements include:

- Better wear protection
- Reduces sludge
- Reduces engine deposits
- Better seal protection
- Improved compatibility with Ethanol fuels such as E85.

The following spider graph, upgrading your engine oil to an API SN to ensure you receive the latest technological advancements in your engine oil.
