

PENRITE

AUSTRALIAN OWNED AND TRUSTED SINCE 1926 

TOTAL BUSINESS OFFER

100% PRODUCT GUARANTEE

Here at Penrite Oil, we've stood by the premium quality of our products since 1926, and proudly continue to do so today. As an ISO 9001 Quality Assurance Management System Certified company, we manufacture our products using advanced manufacturing techniques and the latest product formulation technologies

As the demand for better performing oils and longer service intervals continues to grow and evolve, it's more important than ever that we continue to produce premium quality oils and lubricants for every application. Our team of award winning dedicated sales representatives, and the professional team on our product advice (technical) hotline, are here to help you find the right product to suit your application and requirements.

Penrite values the feedback from our customers about our products and always guarantees that they are 100% fit for recommended application.
