## CITRUS CREAM

Last updated: 21/09/2022 12:25 pm

PRODUCT CODE	PACK SIZE	CARTON QTY
999C	500mL	
999I	4L	4

### PRODUCT BENEFITS

**Citrus Cream** is a unique heavy duty hand cleaner that contains natural citrus oils (d-Limonene) and lanolin that quickly removes most types of hard industrial soils.

### APPLICATION

**Citrus Cream** is recommended for use as a commercial and domestic hand cleaner that doesn't contain pumice. It can be used for automotive workshops and service centres, marine, industrial, agriculture, mining and forestry industries.

When applied directly to the hands it is highly effective at removing grease, oil, heavy grime and many other types of soils.

It can be used with or without water and contains no abrasives. It leaves the hands smelling clean and fresh whilst the lanolin softens and protects the skin.

### HOW TO USE

1. Dispense directly onto hands
2. Massage into hands and between the fingers and nails for 30-60 seconds to remove stains
3. Rinse clean with water or wipe hands clean with a paper towel or we recommend using [Lightning Quick Rag](#)
4. After rinsing apply [Lightning Revive Skin Conditioner](#) for rehydration and conditioning of the hands
