CLEAR SCREEN RAIN SHIELD

Last updated: 07/08/2026 4:40 pm

PRODUCT CODE	PACK SIZE	CARTON QTY
ADCSRS00022	220mL	6
ADCSRS00005	500mL	6

PRODUCT BENEFITS

Clear Screen Rain Shield is a glass sealant and rain repellent that provides a clear crystal polymer coating to reduce the adherence of rain, dirt, road tar, snow and oil. The coating creates a hydrophobic effect, sheeting water off the screen, enhancing the driver's view and reducing the need for cleaning.

Application

Clear Screen Rain Shield is suitable to be used on a range of automotive glass including front and rear windscreens, side windows and mirrors, headlights, and taillights. It is also suitable to be used on marine windscreens.

Directions for use:

- Use on a clean dry surface, out of direct sunlight
- **Spray pack:** Shake well. Hold the **Clear Screen Rain Shield** upright 10cm from the surface and spray.
- **Flip-top pack:** Shake well. Open the cap, and apply a liberal amount to a microfibre towel, we recommend using a **Lightning Quick Rag**, or the microfibre towel provided in the pack.
- Wipe onto the area to be treated in a circular motion.
- Allow the **Clear Screen Rain Shield** to dry for 1-2 minutes, once hazy buff off with a clean microfibre towel, we recommend using a **Lightning Quick Rag**
- Reapply as required.

PRODUCT BENEFITS

- Reduces the adherence of road grime, water, dirt and insect splatter
- Lasts up to 4 months
- Prolongs the life of wiper blades
- Wipe on and buff off application
- Reduces the need for cleaning
- Enhances the driver's vision even in poor road conditions
