PRODUCT CODE	PACK SIZE	CARTON QTY
052I	3.5KG	4
052J	19KG	
052C	500GM	6

PRODUCT BENEFITS

Jell is the original heavy-duty petroleum-based hand cleaner quickly removes most types of hard industrial soils. It contains soaps, surfactants, mild solvents and citrus oil plus lanolin to moisturise the skin.

APPLICATION

Jell is recommended for use in most commercial and domestic areas where a strong hand cleaner is needed such as automotive workshops and service centres, marine, industrial, agriculture, mining, and forestry industries.

It has a citrus fragrance to leave the hands smelling clean and fresh and lanolin to soften and protect the skin.

HOW TO USE

- Apply a liberal amount of product to hands
- Massage into hands and between the fingers and nails for 30-60 seconds
- Rinse clean with water or wipe hands clean with paper towel or we recommended using [Lightning Quick Rag](#)
- After rinsing apply [Lightning Revive Skin Conditioner](#) for rehydration and conditioning of the hands

PLEASE NOTE: This product is not suitable for pumping due to high viscosity (thickness).
