LIGHTNING BIOCLEAN

Last updated: 02/10/2023 4:23 pm

PRODUCT CODE	PACK SIZE	CARTON QTY
BIOCLEAN020	20L	

PRODUCT BENEFITS

Bioclean is an industrial strength, all purpose, heavy duty product that can be used as both a degreaser and detergent. It is water based, biodegradable and phosphate-free, making it environmentally safer to use. It is also a quick-break detergent, allowing oil and water to separate making it easier to remove the oil/grease layer when used with oil/water separators, interceptor pits and oil traps.

Bioclean has a formulation based on orange oil and has a pleasant citrus fragrance. It is Orange in colour for ease of identification.

APPLICATION

Bioclean is designed for use in a wide range of applications such as degreasing, cleaning workshop floors & surfaces, cleaning washrooms, pressure cleaning and vehicle washing. It is suitable for use in all industrial areas including mine sites and workshops or wherever an industrial strength heavy duty cleaner is needed.

Bioclean can be applied as a spray or as a wipe concentrate and will lift and remove grease, grime and dirt from many interior and exterior hard surfaces including aluminium, steel, laminate, vinyl, plastic and painted surfaces on floors and bench tops. It can be diluted with hot water to enhance the cleaning action. It is easy and quick to rinse off with water and will not leave any oily residues.

HOW TO USE

Surface	Recommended Dilution	Method of Application
General Surface - Painted, Tiled Surface - Bench Tops - Kitchens	125mL - 1L to 10L water	Spray, Wipe, Mop, Brush
High Pressure Cleaners		
Floor Scrubbing Machines	Heavy Duty: 200mL to 10L water Light Duty: 125mL to 10L water	Refer Manufacturers Instructions
