## LIGHTNING E-ZORB

Last updated: 25/03/2025 10:27 am

PRODUCT CODE	PACK SIZE	CARTON QTY
LTEZORB050	50L	

### PRODUCT BENEFITS

**E-Zorb** is an all-natural, non-toxic, 100% organic, industrial peat moss oil absorbent, that is economical, non-abrasive, non-leaching and biodegradable.

The inherent capillary action of the **E-Zorb** peat moss provides a powerful wicking action that encapsulates oils, solvents, heavy metals, pesticides, herbicides, and other organic chemicals on contact. Once contaminants are absorbed and contained, peat moss can be incinerated or disposed of in landfills without detrimental environmental effects.

### HOW TO USE

1. Apply to spill from a height of 150mm, sweep over the spill and the E-Zorb peat moss with a stiff broom until the liquid is fully encapsulated
2. Contain the used product in a suitable container or bag and dispose

**NOTE: STORE IN A COOL AND DRY LOCATION.**
