MC ANTI FOG

Last updated: 14/05/2025 11:55 am

PRODUCT CODE	PACK SIZE	CARTON QTY
MCAF0006	60mL	12
CTNMCAF0006_HIDE	60CTN	

PRODUCT BENEFITS

MC Anti Fog is a 2-in-1 anti-fog and cleaning spray that provides a coating that reduces the adherence of fog and mist.

APPLICATION

MC Anti Fog is suitable to be used on all types of motorcycle lenses. It is safe for all types of lenses and coatings and can be used on helmet visors, goggles, sunglasses, and other optical lenses. It is easy to apply, and the small bottle allows the **MC Anti Fog** to be packed with you.

DIRECTIONS FOR USE

1. Shake well, hold **MC Anti Fog** upright 10cm from the surface and spray
2. Buff off the **MC Anti Fog** with a clean microfibre towel, we recommend using the [Lightning Quick Rag](#)
3. If the screen/surface is overly dirty a second application may be required

PRODUCT BENEFITS

- Streak free formula
- 2-in-1 cleans and protects
- Provides anti fog that can last up to 7 days
- Safe on all plastics and glass
- Ideal for helmet visors, MX goggles, snowboard goggles, glasses & other applications
