# MC ULTIMATE SHINE

I	PRODUCT CODE	PACK SIZE	CARTON QTY
	MCUS0003	300G	6

#### **PRODUCT BENEFITS**

**MC Ultimate Shine** is a detailing spray based on a special blend of silicone, solvents, and cleaners. It restores colours and surfaces to a showroom finish.

**MC Ultimate Shine** is a simple to use spray and wipe product that leaves a long lasting protective layer to repel water and grime.

#### **APPLICATION**

**MC Ultimate Shine** is designed to clean a wide range of bikes, ATVs, UTVs and other vehicles. It can be used on many surfaces including vinyl, plastic, chrome, stainless steel, and carbon fibre.

**MC Ultimate Shine** can also be used as an engine damp start. It displaces any moisture on plugs, leads and other surfaces to prevent voltage breakdown, allowing the engine to be started normally.

Note: It is NOT recommended for applications such as motorcycle seats, wheels, or foot pegs/pedals.

### **DIRECTIONS FOR USE:**

- · Shake the can well
- Hold the can about 15cm from the surface to be cleaned
- Spray a thin film over the whole area
- Polish off immediately with a Lightning Quick Rag or a soft cloth for a deep shine
- To Restore minor blemishes and scratches, leave a slightly more concentrated area of spray to soak for a few minutes before polishing
- To use as a damp start, just one short spray of 2-3 seconds on to the plugs, leads and coil/distributor cap will
  displace all moisture and allow starting

# **PRODUCT BENEFITS**

- · Restores surfaces to factory new finish
- · Reduces further adhesion of dirt
- · Repels water
- Easy to use
- · Displaces moisture to assist damp start
