PRODUCT CODE	PACK SIZE	CARTON QTY
LQG50L	50 Pack	10
LQG50M	50 Pack	10
LQG50S	50 Pack	10
LQG50XL	50 Pack	10
LQG50XXL	50 Pack	10

### PRODUCT BENEFITS

**Quick Gloves** are non-slip, tough, durable, latex and silicone-free disposable gloves that last up to 5 times longer than normal disposable gloves.

### APPLICATION

**Quick Gloves** can be used for both commercial and domestic applications. They are ambidextrous so can be used on either hand. They are made from 100% Nitrile and have excellent puncture protection for tackling the toughest and dirtiest of jobs.

They are chemical resistant but are also touch screen friendly, so there is no need to remove the gloves to handle mobile phones, tablets or computers. They have a patented non-slip-grip that makes them especially suitable for use in mechanical workshops, mining, agriculture, forestry, engineering, plumbing and many other areas.

Available in a range of sizes to suit most individuals and are available in a pack of 50 for commercial use or in a 4 pack for retail.

### INSTRUCTIONS FOR USE:

1. Open tab on the box
2. Remove gloves through the hole
3. Place gloves on hands
