

PENRITE

Proudly Australian *Since 1926* 

SOLVENT DEGREASER

A professional strength, solvent based degreaser that rapidly dissolves oil, grease, brake dust, silicone and other contaminants. Its solvent base consists of a blend of emulsifying agents and petroleum hydrocarbons that rapidly breaks down oily residue, grease and sludge. Cleans oil and grease from surfaces such as engine parts and other surfaces where removal of grease, oil, sludge and grime is required. Use for maintenance and repair work in automotive workshops on engine parts, cleaning of machine parts, tools and all types of equipment.

- Solvent base breaks down grease, oil and sludge
 - Cleans parts without the need for dismantling
 - Fast acting and non corrosive
- Colour: Clear
 - Sizes: 20L & 200L
 - Code: [MASD020](#), [MASD200](#)

TYRE SHINE

A long lasting, rich, deep shine, "Wet Look" application for tyres. It simultaneously improves the appearance of the tyres and maintains and protects them from cracking, premature aging, brown discolouration and colour bleaching. It improves the appearance of the vehicle and gives it a finishing touch. Suitable for all types of tyres on passenger cars, 4WDs, light and heavy duty commercial vehicles and is easy to apply and can last for several weeks depending on conditions. It is a spray, brush or paint on formulation providing an even film of coverage on the tyres.

- Cleans and protect tyres
 - Provides the "Wet Look" for tyres
 - Provides a professional job presentation
- Colour: Blue
 - Sizes: 20L
 - Code: [CCTS020](#)

BIO CLEAN

Industrial strength, all purpose, heavy duty product that can be used as both a degreaser and detergent. It is water based, biodegradable and phosphate free, making it environmentally safer to use. It is also a quick-break detergent, allowing oil and water to separate, making it easier to remove the oil/grease layer when used with oil/water separators, interceptor pits and oil traps. Suitable for use in all industrial areas including mine sites and workshops or wherever an industrial strength heavy duty cleaner is needed.

- Water based and non flammable
 - Effective degreaser and detergent
 - Pleasant citrus fragrance
- Colour: Yellow
 - Sizes: 20L
 - Code: [BIOCLEAN020](#)

HAND CLEANER

Perfect for automotive workshops and service centres, marine, industrial, agriculture, mining and forestry industries. It removes dirt, oil, grease and other industrial soils quickly and completely. It contains carefully selected poly beads to help remove ingrained and aged dirt and grime. The poly beads float in water and are far less likely to block drains than other abrasives used in hand cleaners. It contains no petroleum solvents or harsh alkalis so it will not dry or crack the user's skin or leave unpleasant solvent odours.

- Leaves hands feeling soft and supple
 - Biodegradable, non-hazardous and non-toxic
 - Works well in both hard and soft water areas
- Colour: Light Orange
 - Sizes: 2.5L & 20L
 - Code: [MAHC025](#), [MAHC020](#)

GLASS CLEANER

An advanced formula glass, window and mirror cleaner that easily removes road grime, oil, insects, silicone, film smear and the residues of nicotine and smoke from windscreens, head lights and mirrors to improve vision and vehicle safety. Suitable for use in automotive, commercial and domestic applications. It can be used for cleaning glass, poly propylene plastic, laminates, mirrors and chrome in passenger cars, 4WDs, motorcycles, marine and commercial vehicles as well as in the home or office.

- Easy and economical to use
 - Improves vehicle safety and efficiency of the wipers
 - Removes most vehicle grime in a single application
- Colour: Green
 - Sizes: 20L
 - Code: [CCGC020](#)

INTERIOR CLEANER

An advanced formula, professional automotive interior cleaner designed to clean vinyl, leatherette, cloth, suede, plastic and other composite surfaces. It thoroughly and gently removes even stubborn dirt from car interior trims, upholstered seats, textile covers, carpets, plastic roof linings and vinyl roofs. It deodorises as it cleans and leaves a fresh fragrance in the car. Use in automotive, commercial and domestic applications as well as cleaning the interior of passenger cars, 4WDs, motorcycles, marine, commercial vehicles and in the home/office.

- Easy and economical to use
 - Deodorises as it cleans
 - Removes most dirt and stains
- Colour: Clear
 - Sizes: 20L
 - Code: [CCIC020](#)

MULTI-PURPOSE WASH

Heavy duty, multi-purpose, biodegradable, detergent cleaner, capable of cleaning the most heavily soiled cars, motorbikes, 4WDs, trucks, tractors, boats, caravans and other vehicles. Its unique formulation will not cause damage or streaking to the paintwork. It is safe to use on all modern automotive paintwork finishes and will not harm aluminium, vinyl, rubber, glass or fiberglass. Cleans a wide range of vehicles and equipment used in many varied industries such as mining, logging, interstate haulage and quarrying.

- Biodegradable, quick-break formulation
 - Wide range of vehicle/equipment type use
 - Easy and economical to use
- Colour: Blue
 - Sizes: 1, 20, 200 & 1000 L
 - Code: [DETCTW001](#), [DETCTW020](#), [DETCTW200](#), [DETCTW1000LTR](#)

Owned and Made Since 1926**

P26 THROTTLE BODY & CARB CLEANER

Professional strength cleaner for fuel and air intake and delivery systems designed to instantly dissolve varnish, grease, dirt, sludge, gummy residues and fuel sediments that impede engine performance, economy and smoothness. It improves economy, restores lost power, provides smoother running and lowers emissions when properly used to remove contaminants. Suitable for the cleaning of throttle bodies, carburettors, automatic chokes, PCV and EGR valves. It can be used for both external and internal parts where build ups occur such as on throttle plates and butterfly valves.

- Fast acting, quick drying formula
- Cleans parts without the need for dismantling
- Easy to use aerosol application

- Colour: Clear
- Sizes: 400mL
- Code: [P26TBCC0004](#)

P26 BRAKE & PARTS CLEANER

Professional strength, residue-free, solvent based aerosol cleaner that rapidly dissolves oil, grease, brake dust, silicone and other contaminants on brake components. Surfaces are left clean and dry even after removing the most stubborn of contaminants. Suitable for cleaning brake disk rotors, brake drums, brake callipers, sliding pins, hub and bearing assemblies, wheel cylinders, brake pads and linings and clutches prior to assembly and for servicing. It can also be used for the cleaning of all oil, grease and grime from soiled parts.

- Evaporates completely without residue or staining
- Free from aromatic or halogenated hydrocarbons
- Available in aerosol and bulk liquid

- Colour: Clear
- Sizes: 400mL, 20L & 200L
- Code: [P26BAPC0004](#), [MABAPC020](#), [MABAPC200](#)

P26 MULTI-PURPOSE DEGREASER

Professional strength, solvent based degreaser that rapidly dissolves oil, grease, brake dust, silicone and other contaminants. Its non-chlorinated, non-corrosive and non-staining formulation, rapidly breaks down oil, grease and sludge, enabling easy cleaning of surfaces from grease and grime. Suitable for the cleaning of oil and grease from surfaces such as engine parts and other surfaces where removal of grease, oil, sludge and grime is required. It is especially suitable for all maintenance and repair work in automotive workshops on engine parts but can also be used for cleaning of machine parts, tools and all types of equipment.

- Breaks down grease, oil and sludge with ease
- Cleans parts without the need for dismantling
- Easy to use aerosol application

- Colour: Clear
- Sizes: 400mL
- Code: [P26MPD0004](#)

P26 MULTI-PURPOSE MoS2 LUBRICANT

Advanced formula, professional strength, universal automotive maintenance oil, containing molybdenum disulphide, that infiltrates, penetrates, dispels water, lubricates moving parts, acts as a contact agent (electrical), cures squeaks and creaks and protects metal against corrosion. It contains a solvent carrier that evaporates from the treated components whilst leaving a thin film of corrosion preventing oil. Suitable for use in all automotive, marine, industrial and domestic applications. These include drying wet automotive ignition and electrical systems and is useful in many other automotive and domestic applications such as hinges, locks, catches and other squeaking or seized moving parts.

- Protects against corrosion, rust and oxidation
- Many and varied product uses
- New design spray nozzle with built in tube

- Colour: Brown/Grey
- Sizes: 400mL
- Code: [P26MPL0004](#)

CLEAR SCREEN

Highly concentrated cleaning additive for the windscreen washer unit. It rapidly removes dirt, mineral dust, exhaust gas residues and rainwater deposits from windscreens. Oil soot, insects, silicone, grime and traffic film are removed in seconds and wiper blade action is smoothed. Tolerant to paintwork, rubber and plastics. It also contains anti-smear properties. Won't induce stress cracks in Polycarbonate headlight lenses. Measuring chamber on 250mL pack allows correct dosage every time.

- Provides clear vision in seconds
- Improves the efficiency of the wipers
- Treat Rate: 25ml treats 2.5 litres of water

- Colour: Orange
- Sizes: 25mL, 250mL & 20L
- Code: [ADCS025SINGLE](#), [ADCS020](#), [ADCS250](#)

WHEEL RIM CLEANER

Special acid free cleaner that rapidly and effectively removes stubborn dirt such as burned-in brake dust, oil and rubber residue as well as other road dirt on steel and alloy wheel rims. The gentle formulation does not affect rims, wheel nuts and bolts and is safe with ABS sensors. It is ideal for the perfect finish on all wheel types. When sprayed onto a wheel, it changes colour from clear to red, indicating the activation of the product when in use. It gets into all of the nooks and crannies of the wheel, lifting the grime and making the cleaning of the wheel easy, even in circumstances where dirt and road grime is baked onto the wheel.

- Cleans and helps protect wheel rims
- Highly effective formulation for all types of wheels
- Safe with ABS sensors

- Colour: Opaque
- Sizes: 500mL & 5L
- Code: [CCWC0005](#), [CCWC005](#)

INSTANT INSECT REMOVER

An advanced formula, professional automotive cleaner that quickly and effortlessly removes insects from glass, paintwork, chrome and plastics. It has outstanding infiltration abilities where the special cleaner softens up even dried on insect deposits, without attacking the surfaces. Suitable for use in all automotive applications. It is safe to use on all painted surfaces and is solvent free. It removes insect residues quickly and gently. It is ready to use directly from the container.

- Easy and economical to use
- Removes insects gently
- Safe for paintwork, glass and plastics

- Colour: Clear
- Sizes: 500mL & 20L
- Code: [CCIIR0005](#), [CCIR020](#)

INSTANT CAR WASH

A highly economical and effective, super concentrated car washing detergent with a new combination of active ingredients to remove dirt and road grime quickly and thoroughly. Gentle on surfaces through its active ingredients, is phosphate free and has a pleasant fragrance. Can be used to wash passenger cars, 4WDs, light and heavy duty commercial vehicles, veteran and vintage vehicles, boats, jet skis, motor bikes and many other types of equipment. Suitable for cleaning paintwork surfaces, convertible fabric tops, metal, glass, plastics, rubber, tiles, porcelain and enamelled surfaces.

- Super concentrate makes product extremely economical
- Active ingredients are gentle on paintwork and other surfaces
- Convenient measuring cap on bottle

- Colour: Blue
- Sizes: 500mL
- Code: [CCICW0005](#)

INSTANT TYRE SHINE

A tyre gloss and maintenance product for all tyre types. It restores rich colours to weathered tyres and provides a perfect shine whilst maintaining the rubber and keeping it supple. It is extremely easy to apply and lasts for several weeks. It can be used on the tyres of passenger cars, 4WDs, light and heavy duty commercial vehicles, trailers, veteran and vintage vehicles. Protects tyres from UV sun damage and premature browning.

- Provides a High Shine Brilliant Gloss appearance
- Suitable for plastic bumpers and mud flaps
- Easy to use aerosol application

- Colour: Yellow
- Sizes: 400mL
- Code: [CCITS0004](#)

INSTANT SHINE DETAILER

A detailing spray for quick, interim paintwork care. Ideal for quickly cleaning dust covered paintwork and for freshening up previous wax treatments. It enhances the colour depth and leaves the paintwork surface smooth and sleek. It can be used on passenger cars, 4WDs, light and heavy duty commercial vehicles, veteran and vintage vehicles, boats, jet skis, motor bikes and wherever paint or bright work needs cleaning and shining.

- Quick and effective paintwork treatment
- Can be used directly on dusty cars without washing
- Spray on, wipe off application

- Colour: Blue
- Sizes: 750mL
- Code: [CCISD000750](#)

INSTANT ODOUR ELIMINATOR

Professional strength automotive deodorant that removes unpleasant smells such as cigarette smoke, animal smells and other unpleasant odours from all automotive interiors. It does not cover-up these smells, but neutralises them and leaves a pleasant freshness fragrance. It can be used in cars, light and heavy commercial vehicles, buses, trains and trams. Designed for use with all types of automotive interiors.

- Instantly neutralises unpleasant odours
- Suitable for use anywhere
- Professional strength formulation

- Colour: Clear
- Sizes: 500mL
- Code: [CCIOE0005](#)

INSTANT DASH PROTECTANT

Silicone and solvent free cleaner, designed for the cleaning and care of all plastic and vinyl parts within the vehicles interior. It has a matt, original look finish and reduces electrostatic charges to repel dust whilst leaving a pleasant fragrance. Designed for use in all internal cabins of all automotive, marine, industrial, mining and agricultural machines that have plastic facia, door cards, hard plastic, dashboards and consoles.

- Cleans and enhances all plastics and vinyl
- Enhances natural texture and grain
- Leaves a clean fresh fragrance

- Colour: Clear
- Sizes: 300mL
- Code: [CCIDP300](#)
